ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

This order addresses the parties' correspondence at Dkt. 58 and 59. The parties agree that discovery should be closed. Accordingly, the period for discovery is hereby closed. Defendant's request for discovery sanctions is denied. As Plaintiff correctly points out, testimony of employees may be sufficient to establish a prima facie case of time and hours in the absence of records. Accordingly, a summary judgment motion would be unlikely to succeed, and no motion shall be filed without correspondence to the undersigned explaining the basis therefore.

SO ORDERED.

A handwritten signature in black ink, appearing to be "R. Lehrburger", written over a horizontal line.
